Assignment 0502 Feedback

Quin Thames

(progress in other parts of the code is noted, but this particular feedback list pertains to lighting only)

2c — No lighting-related code seen. (O)

2d — You were in class to hear me talk about clipping and hidden surface removal. Yay! (+)

3e — No lighting-related code seen. (O)

4a — No lighting-related code seen. (O)

4b — No lighting-related code seen. (O)

4c — No lighting-related code seen. (O)

4d — No lighting-related code seen. (O)

4e — No lighting-related code seen. (O)

4f — Not submitted on time. (−)
